The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

**RECOMMENDATION TO EXECUTE AN AGREEMENT WITH  
GOLDEN WINGS ACADEMY  
TO PROVIDE CHILD CARE SERVICES AT  
DPSS' EXPOSITION PARK CHILD CARE CENTER  
(ALL DISTRICTS - 3 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Delegate authority to the Director, Department of Public Social Services (DPSS), to execute an Agreement, substantially similar to the attached Agreement, with Golden Wings Academy to provide child care services at DPSS' Exposition Park Child Care Center located on-site at the Exposition Park district office at 1024 West 38<sup>th</sup> Street, Los Angeles, effective April 1, 2005, or the day after execution, whichever is later, through September 30, 2009. This is a non-financial Agreement; therefore, there is no fiscal impact.
2. Delegate authority to the Director, DPSS, to prepare and execute amendments to this Agreement, when the change is necessitated by additional and necessary services that are required in order for the contractor to comply with changes in federal, State or County requirements. The approval of County Counsel and the Chief Administrative Office (CAO) will be obtained prior to execution of such amendments, and the Director, DPSS, will notify the CAO in writing within ten business days after execution.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

With your Board's approval, DPSS will execute an Agreement, substantially similar to the attached Agreement, with Golden Wings Academy to provide child care services at the Exposition Park Child Care Center.

### **Implementation of Strategic Plans and Goals**

The contract is consistent with the principles of the Countywide Strategic Plan Goal #5 Children and Families' Well-Being: Improve the well-being of children and families in Los Angeles County, as measured by the achievements in the five outcome areas adopted by the Board: good health; economic well-being; safety and survival; social and emotional well-being; and educational/workforce readiness.

### **FISCAL IMPACT/FINANCING**

This is a non-financial Agreement for the provision of child care services. Parents, not the County, pay for the child care services. The County provides the physical facilities, utilities, upkeep, equipment and supplies, which are deemed unavoidable costs.

### **FACTS AND PROVISIONAL/LEGAL REQUIREMENTS**

The Exposition Park Child Care Center was completed in August 2001. The Center can accommodate 57 children (16 infants/toddlers and 41 preschoolers). The Department has selected Golden Wings Academy, owned and operated by Deseree Chase to operate the Exposition Park Child Care Center. Ms. Chase has agreed to charge the same parent fees as the El Monte and Telstar Child Care Centers.

Ms. Chase has been a licensed child care provider since August 1992. She currently operates two licensed child care centers: Easter's Nest Child Care Center located in the city of Lynwood, and Golden Wings Academy located in the city of Carson. At Golden Wings Academy, Ms. Chase operates a private school, which accommodates children from first to sixth grade. All staff employed by Ms. Chase meet, at a minimum, the three star requirement set by the Los Angeles Universal Preschool Committee.

DPSS staff has reviewed Facility Evaluation Reports conducted by the Community Care Licensing Division (CCLD) for Golden Wings Academy and Easter's Nest, and has determined that these centers are in compliance with CCLD regulations.

Originally, DPSS Child Care Centers were going to be utilized only by County employees. However, to expand the center's utilization, we have opened them up to CalWORKs participants. In the future, we anticipate opening the centers to other children, to the extent that there is available capacity and appropriate funding.

The Agreement has been approved as to form by County Counsel. Approval of this Agreement will not result in unauthorized disclosure of confidential information, and will be in full compliance with federal, State and County regulations.

Honorable Board of Supervisors  
March 8, 2005

### **CONTRACT PROCESSING**

As this is a non-financial Agreement, no solicitation is required. State regulations allow contracting without competitive solicitation when the services are provided at no cost to the County.

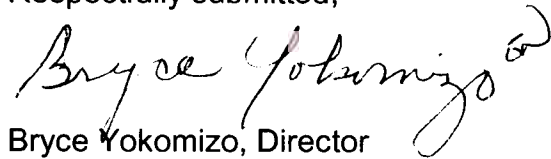

### **IMPACT ON CURRENT SERVICES**

Providing child care services will have a significant positive impact on the County by providing: 1) increased child care capacity; 2) quality on-site child care services to County employees; and 3) the opportunity for CalWORKs participants enrolled in the Careers in Child Care Training Program to experience hands-on training.

### **CONCLUSION**

Upon Board approval, the Executive Officer, Board of Supervisors, is requested to return one adopted and stamped Board Letter to the Director, DPSS.

Respectfully submitted,

  
Bryce Yokomizo, Director

- 7.3 If CONTRACTOR is not required to comply with the Jury Service Program when the Contract commences, CONTRACTOR shall have a continuing obligation to review the applicability of its

“exception status” from the Jury Service Program, and CONTRACTOR shall immediately notify COUNTY if CONTRACTOR at any time either comes within the Jury Service Program’s definition of “CONTRACTOR” or if CONTRACTOR no longer qualifies for an exception to the Program. In either event, CONTRACTOR shall immediately implement a written policy consistent with the Jury Service Program. COUNTY may also require, at any time during the Contract and at its sole discretion, that CONTRACTOR demonstrate to the COUNTY’s satisfaction the CONTRACTOR either continues to remain outside of the Jury Service Program’s definition of “CONTRACTOR” and/or that CONTRACTOR continues to qualify for an exception to the Program.

- 7.4 CONTRACTOR’s violation of this Section of the Contract may constitute a material breach of the Contract. are, for purposes of Workers' Compensation liability, employees solely of CONTRACTOR and not of COUNTY. While COUNTY reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Practices Commission or the Federal Equal Employment Opportunity Commission that CONTRACTOR has violated State or Federal anti-discrimination laws or regulations shall constitute a finding by COUNTY that CONTRACTOR has violated the anti-discrimination provisions of this Contract.

## **PREAMBLE**

### **COUNTY HEALTH AND HUMAN SERVICES**

For nearly a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- |                   |                         |
|-------------------|-------------------------|
| ➤ Responsiveness  | ➤ Integrity             |
| ➤ Professionalism | ➤ Commitment            |
| ➤ Accountability  | ➤ A Can-Do Attitude     |
| ➤ Compassion      | ➤ Respect for Diversity |

These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993:

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving

these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ❧ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ❧ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ❧ There is no “wrong door”: wherever a family enters the system is the right place.
- ❧ Families receive services tailored to their unique situations and needs.
- ❧ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ❧ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ❧ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ❧ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ❧ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ❧ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ❧ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ❧ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.

- ☞ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service And Satisfaction Standards*** in support of improving outcomes for children and families.

#### *Personal Service Delivery*

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

#### *Service Access*

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

### Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display County's vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post Contractor's complaint and County's appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

**PERFORMANCE REQUIREMENTS SUMMARY CHART**

6.1 Introduction

The PRS displays the services that will be monitored by the COUNTY during the term of the agreement.

All listings of “Required Service” or “Standard” used in this PRS are intended to be consistent with the main body of the Contract and the Statement of Work (Attachment A), and are not meant in any case to create, extend, revise, or expand any obligation of CONTRACTOR beyond that specifically defined in the main body of the Contract and Statement of Work. In any case of inconsistency between “Required Service” or “Standard” as stated in the main body of the Contract or Statement of Work and this PRS, the meaning in the main body or Statement of Work will prevail. If any “Required Service” or “Standard” seems to be created in this PRS which is not specifically set forth in the main body or Statement of Work, that “Required Service” or “Standard” will be null and void and place no requirement on CONTRACTOR and will not be the basis of the assignment of any Unsatisfactory Performance Indicator (UPI) points.

In monitoring CONTRACTOR’s performance, COUNTY staff will monitor to the detailed terms set forth in the Statement of Work and the PRS. If COUNTY wishes to reinterpret the CONTRACT and change work requirements, a negotiated change to the contract will be done per Part VII, Section 5, “Changes and Amendment of Terms” of the Contract. If CONTRACTOR believes that COUNTY staff have made interpretations that increase CONTRACTOR’s work or costs, CONTRACTOR’s Contract Manager shall contact the DPSS Contract Monitoring Division Chief and request a meeting to resolve the differences of contract interpretation.

6.2 Performance Requirements Summary Chart

The PRS chart:

- 6.2.1 Provides the Section or Paragraph where referenced (Column 1 of chart).
- 6.2.2 Defines the Standard or performance for each required service (Column 2 of chart).
- 6.2.3 Shows the maximum allowable degree of deviation from perfect performance or Acceptable Quality Level (AQL) for each required service that is allowed before unsatisfactory performance indicator points are assessed.
- 6.2.4 Indicates the points attached to each occurrence of unsatisfactory performance (Column 4 of chart).

## **PERFORMANCE REQUIREMENTS SUMMARY CHART**

### **6.3 Quality Assurance**

Each review period, the CONTRACTOR's performance will be compared to the Agreement's Standards and AQL's using the Quality Assurance Monitoring Plan (QAMP).

COUNTY may use a variety of inspection methods to evaluate the CONTRACTOR's performance. The methods of monitoring that may be used are:

- 6.3.1 Random sampling;
- 6.3.2 100% inspection of items, such as reports and invoices, on a periodic basis (daily, weekly, monthly, quarterly, semiannually or annually) as determined necessary to assure a sufficient evaluation of CONTRACTOR's performance;
- 6.3.3 Review of reports and files maintained by the CONTRACTOR;
- 6.3.4 On-site evaluations and monitoring;
- 6.3.5 Evaluation of complaints.

### **6.4 Contract Discrepancy Report (CDR)**

Performance of a required service is considered acceptable when the percent of discrepancies found during monitoring does not exceed the percent of discrepancies allowed by the AQL. When the performance is unacceptable, CONTRACTOR shall be required to respond within ten (10) business days, to a Contract Discrepancy Report (CDR) (see Technical Exhibit 6.2). The CDR will require CONTRACTOR to explain in writing the reasons for such unacceptable performance, how performance will be returned to an acceptable level, and how recurrence of the problem will be prevented. The CCA will evaluate CONTRACTOR's explanation and determine if the corrective action is appropriate.

### **6.5 Criteria for Acceptable or Unacceptable Performance**

The AQL sampling is taken from the Performance Requirements Summary. The lot size is determined by estimating how often CONTRACTOR will provide a service during the sampling period. To ensure each service has an equal chance of being selected, a random number table is used to determine the sample.

- 6.5.1 Lot size - The total number of units or services provided in a given period of time.
- 6.5.2 Sample Size - The number of units to be checked in a given time period.

## 6.6 Remedy of Defects

Regardless of findings of unsatisfactory service and assessment of UPI points, CONTRACTOR must, within a reasonable time period specified by COUNTY, remedy any and all defects in the provision of CONTRACTOR's services and, as deemed necessary by the CCA, perform such services again at an acceptable level.

## 6.7 Unsatisfactory Performance Remedies

When CONTRACTOR's performance does not conform to the requirements of the Agreement, COUNTY will have the option to apply the following nonperformance remedies:

- 6.7.1 Require CONTRACTOR to implement a formal corrective action plan, subject to approval by COUNTY. In the plan, CONTRACTOR must include reason for the unacceptable performance, specific steps to return performance to an acceptable level, and monitoring methods to prevent recurrence.
- 6.7.2 COUNTY shall issue a CDR to the CONTRACTOR when the Unsatisfactory Performance Indicator (UPI) point total exceeds 150 points for all factors during any one month during the term of the Agreement.
- 6.7.3 COUNTY shall issue a CDR to the CONTRACTOR and a notice to the Chief, CalWORKs Division, DPSS, when the UPI point total exceeds 300 points total for all factors during any one month during the term of the Agreement.
- 6.7.4 COUNTY shall issue a CDR to the CONTRACTOR and a notice to the Director, DPSS, when the UPI point total exceeds 450 points for all factors during any one month during the term of the Agreement or a second notice to the Chief, Child Care Enhanced Services Section, DPSS, was warranted pursuant to Section 6.6.3 above.
- 6.7.5 COUNTY shall issue a Notice to Cure and a notice to the Board of Supervisors when the UPI point total exceeds 600 points for all factors during any one month during the term of the Agreement or a second notice to the Director, DPSS, was warranted pursuant to Section 6.6.4 above. COUNTY and

CONTRACTOR shall follow the steps below to resolve the Notice to Cure.

- 6.7.5.1 COUNTY will, in all cases, provide a thirty (30) business day written Notice to Cure.
- 6.7.5.2 COUNTY and CONTRACTOR shall meet and confer, within three (3) business days of CONTRACTOR's receipt of Notice to Cure.
- 6.7.5.3 Within five (5) business days of the meet and confer, CONTRACTOR shall produce a plan of correction, specifying the action to be taken to cure and the time within said action will be completed. Such actions must be completed within a reasonable time as determined by the COUNTY.
- 6.7.5.4 COUNTY shall respond to the plan within three (3) business days of receipt thereof. If COUNTY disagrees with plan of correction provided by CONTRACTOR, it shall be revised and a revised plan shall be submitted to the COUNTY in five (5) business days. This Section does not preclude COUNTY'S right to terminate the Agreement.
- 6.7.6 Reduce, suspend or cancel the Agreement for systematic, deliberate misrepresentations, or unacceptable levels of performance.
- 6.7.7 Have the failed service performed by others at CONTRACTOR's expense. Failure of CONTRACTOR to comply with or satisfy the requests(s) for improvement of performance or to perform the neglected work specified within ten (10) work days shall constitute authorization for COUNTY to have the service(s), as determined by COUNTY, shall be the full responsibility of CONTRACTOR.

**No shame.**

### **What is the Safely Surrendered Baby Law?**

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

### **How does it work?**

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

### **What if a parent wants the baby back?**

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

### **Can only a parent bring in the baby?**

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

### **Does the parent have to call before bringing in the baby?**

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

### **Does a parent have to tell anything to the people taking the baby?**

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

### **What happens to the baby?**

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

### **What happens to the parent?**

Once the parent(s) has safely turned over the baby, they are free to go.

### **Why is California doing this?**

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

### **A baby's story**

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

**Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.**

*It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.*

### **¿Qué es la Ley de Entrega de Bebés Sin Peligro?**

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

### **¿Cómo funciona?**

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre recibirá un brazaletes igual.

### **¿Qué pasa si el padre/madre desea recuperar a su bebé?**

Los padres que cambien de opinión pueden empezar el proceso de redamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

### **¿Sólo los padres podrán llevar al recién nacido?**

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

### **¿Los padres deben llamar antes de llevar al bebé?**

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

### **¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?**

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

### **¿Qué ocurrirá con el bebé?**

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

### **¿Qué pasará con el padre/madre?**

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

### **¿Por qué California hace esto?**

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

### **Historia de un bebé**

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.**

*Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.*
